

## WILD CAT CATERING

**Do you have a event that needs that special touch...fabulous food and spectacular service? Then call the Child Nutrition Office at 903-731-8042 to speak with the experts. Melinda DeFore (x1022) is the Director of Catering, but Mimi Spreen (x1021) or Kimberly Gail (x1020) can get you started.**

**We cater for all occasions. Attached you will find our menu to help you get started, but we are not limited to just this menu. If you don't see what you are looking for, please ask and we will be happy to create a special menu to meet your needs.**

**We will need 48 hours notice so that we have enough time to bring in the food and any special equipment necessary for your event. We can accommodate last minute needs, but a charge of \$25.00 will be added to your invoice. You will need to create a P.O. for the catering. We can only provide the catering with an approved P.O. number. We will need the date, time, place, number of people being served and menu selection...then you just leave the rest to us.**
