# Wildcat Weekly Message from our Superintendent: Jason Marshall

This week's edition of Wildcat Weekly is coming to you a day early due to Friday, April 17<sup>th</sup> being a holiday for students. Palestine ISD staff will spend Friday participating in staff development. Students and staff will return to school on Monday, April 20<sup>th</sup> at the regular time.

There is nothing like getting out in the fresh air and enjoying the day at the Livestock Show. PISD students had a blast doing just that this week at the Anderson County Livestock Show. There were lots of smiles from our youngest students who visited from Washington Early Childhood Center. Of course, the show would not be possible without a lot of hard work. We are thankful for our

youth and parents who chose to spend time raising an animal and preparing them for the show. This is a great experience for children as you can tell from the pride in their eyes as they show their animals and Ag projects.

Palestine High School hosted the UIL District 18AAAA Track Meet at Wildcat Stadium this week.

Congratulations to our Wildcat Soccer Team! They fought hard all season making it to the Regional competition. The Wildcat Soccer season ended with a record of 25-2-4, and the team carried the state's #1 ranking throughout most of the season.

Have a great weekend!
